Dr. R. A. Falconer, President,  
Toronto University,  
Toronto, Canada.

Dear President Falconer:-

Referring to your letter of June 16th, I am pleased to note that you will attend the Banquet of the University of Toronto Club of New York, and prior to making arrangements for such a function, I would be much pleased to learn if Tuesday, Dec. 9th, would not be satisfactory to you.

I understand the Canadian Society of New York will have its Banquet on Wednesday, Dec. 10th, and presume the above mentioned date will be satisfactory to you.

I assure you that as soon as the date of the Banquet is announced to our members, and they are apprised of your coming, there will be great rejoicing by the University Graduates in and around New York.

Very truly yours,

*Thomas H. Alvin*

President.

Dear Mr. Alison:

I have not yet heard from the Canadian Society of New York what day they have chosen for their meeting. The 10th of December would be a very inconvenient date for me as it is in an extremely busy week and precedes the meeting of the Board of Governors and Senate. I will communicate with the President of the Canadian Society and ask him what day they have fixed, and I will let you know afterwards.

With kind regards, I am,

Yours sincerely,

President.

President, University of Toronto Club,  
New York.

Dear Mr. Alison:

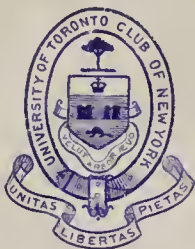

I promised to let you know as to the possibility of my attending the banquet of the University of Toronto Club of New York on Tuesday, December 9th. Since writing you I have had a letter from Dr. Eaton stating that Wednesday, December 10, is the date fixed for the function of the Canadian Society of New York. This was the first definite information as far as my memory serves me as to a fixed date, and I regret that it is so unsuitable for me that I have had to withdraw my promise to speak to them on December 10th. I must therefore also ask you to postpone my visit to the University of Toronto Club.

With kind regards, I am,

Yours sincerely,

President.

Please find enclosed a schedule of dates, one of which we would be pleased to have you choose as being convenient to you, and defining the date of our Banquet. If none of these dates are satisfactory, we leave the question entirely open to yourself.

With kind regards, I am,

Dear Mr. Alison:

I have another request asking me to go to New York at the end of December. If I were to leave here Friday, the 19th of December, when the term closes, would it be possible for you to have the meeting of our Alumni on Saturday, December 20th? I give this simply as a tentative date.

With kind regards, I am,

Yours sincerely,

President.

Dear President Falconer:-

Referring to your communication as to the date for Annual Dinner of the University of Toronto Club, New York, a Saturday night has formerly been objected to, and I would suggest Monday, December 22nd or Tuesday the 23rd inasmuch as you evidently contemplate being in New York on another matter for sometime on Saturday or Sunday.

If the above does not meet with your approval, kindly specify other dates. Undoubtedly we can mutually agree on a date, and we are looking forward to having the honor of seeing you here.

With kind regards, I am

Sincerely yours

Mr. T. H. Alison,

Bayonne, N.J.

Dear Mr. Alison:

I have an engagement for Monday night, December 22nd, and my only difficulty about Tuesday, the 23rd, is that I should want to get back to Toronto on Wednesday afternoon, the 24th. If the meeting were held on Tuesday night, the 23rd, could I get a late train that would bring me here at a reasonable time on Wednesday?

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Alison:

Since my return from Winnipeg I find that the arrangements which I was making to go to New York at the end of December have fallen through, and now I should like to omit my visit at that time. I have to be in Syracuse on Thursday, March 5th. I wonder whether it would be convenient for you if I were to go to New York to meet the Alumni either before or after that date.

With kind regards, I am,

Yours sincerely,

President.

Dear Mr. Alison:

I have just telegraphed to you that I cannot go to New York. I have been for a week fighting off a cold, and have been in bed for the last two days. In weather such as this the Doctor absolutely forbids my going, and I must obey him if I am to avoid serious consequences. I regret very much indeed to miss the Alumni Dinner after you made your arrangements to suit me. However, I know that my presence was only one item, and that the most important factor is the gathering itself. I am glad that Dr. Galbraith will be there, and he will speak for the University. Please give my best wishes to the Alumni assembled, and express for me my regret at not meeting them again this year.

With kind regards, I am,

Yours sincerely,

Dear Mr. Alison:

Many thanks for your letter. I am very glad to know that the banquet went off so successfully. It was indeed fortunate that Dean Galbraith was able to be there. I am sorry to have missed it, but hope to have better luck next time.

Yours sincerely,

President.
